Amendments to Specification

Please amend **page 57, 3rd Paragraph, lines 12-20 to:**

"In the preferred embodiment of the present invention, the Merchant Intermediary establishes one or more unique sites, addresses or accounts for each Receiver party. The Merchant Intermediary can agree to protect the Receiver party's privacy, encrypt the address or location of the Receiver party so that it is unknown to the Caller party, account for funds transfers or revenues generated, and agree to place communications in a secured account, address, or location that is accessible to the Receiver party."

Please amend **page 58, 3rd Paragraph, lines 8-13 to:**

"In the preferred embodiment, the Receiver party is compensated as a percentage of each communication that the Receiver party receives and downloads through the present method and system. Alternatively, the Receiver party could also be compensated by a third party such as an advertiser, by subscription fees, or otherwise benefited. Selectively, the Receiver party could be compensated with consideration other than money."
